

Dear Family,

The journey of grief for those within the policing family is a path few understand. The loss of a loved one who served their community creates a unique and profound sense of loss. We understand that you, as bereaved families, have already felt the weight of this trauma and know intimately the toll that policing can take on one's mental health.

At Canada Beyond the Blue, our mission is to provide support and recognition for those who have experienced the unimaginable loss of a police member. With the support of the Police Association of Ontario, the Ontario Provincial Police Association, and the Toronto Police Association, we are dedicated to honoring the memory of those who have died by suicide because of the line of duty.

We understand the isolation and stigma that can accompany such loss. That's why we are committed to ensuring that your loved ones are never forgotten. We are steadfast in working towards building a lasting memorial where their names will be etched honoring their service and the profound impact they had on our lives.

In the interim, we will be holding a remembrance wreath laying ceremony on **Sunday, June 23rd, 2024**, which will hold a deep significance for us all. It is a moment to come together as a community, to acknowledge the sacrifices made, and to ensure that those who have fallen are forever remembered.

We extend to you a heartfelt invitation to join us on this solemn occasion. Your presence would be a testament to the enduring strength and resilience of our community, and we would be honored to stand alongside you as we pay tribute to our loved one who has gone before us.

Please RSVP at www.canadabeyondtheblue.com/memorial-rsvp

With deepest sympathy and respect,

Dilnaz Garda
President
